That, subject to the passing of Resolution 10 above, the Directors be generally and unconditionally authorised for the purposes of section 570 and section 573 of the Companies Act 2006 (the "**Act**") to allot equity securities (within the meaning of section 560 of the Act) for cash either pursuant to the authority conferred by Resolution 10 or by way of a sale of treasury shares in each case as if section 561 of the Act did not apply to any such allotment, provided that this authority shall be limited to:

- a) the allotment of equity securities in connection with an offer of equity securities (but in the case of an allotment pursuant to the authority granted under paragraph (b) of Resolution 10, such power shall be limited to the allotment of equity securities in connection with an offer by way of a rights issue only) to:
  - i. ordinary shareholders in proportion (as nearly as may be practicable) to their existing holding; and
  - ii. holders of other equity securities, as required by the rights of those securities or as the Directors otherwise consider necessary,

and so that the Directors of the Company may impose any limits or restrictions and make any arrangements which it considers necessary or appropriate to deal with treasury shares, fractional entitlements or securities represented by depositary receipts, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or the requirement of any regulatory body or stock exchange or any other matter; and

## Explanatory Notes to the Resolutions

An explanation of each of the resolutions is set out below.

Resolutions 1 to 11 (inclusive) are proposed as ordinary resolutions. This means that for each of these resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 12 to 15 (inclusive) are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

### Report and Accounts

#### Resolution 1

The Directors of the Company are required to present the Annual Report and accounts to the meeting.

### Directors' Remuneration Policy

#### Resolution 2

The Directors' Remuneration Policy sets out the Company's forward looking policy on Directors' remuneration, including the relevant components. The Policy supports the achievement of the strategic objectives of the Company. If Resolution 2 is passed, the policy will take effect from the conclusion of the AGM. The vote on the Policy is binding in nature meaning that, from the conclusion of the AGM, in compliance with section 226B of the Act, the Company may not make a remuneration payment to a person who is, is to be, or has been a director of the Company unless that payment is consistent with the approved Policy, or has otherwise been approved by a shareholder resolution.

The Directors' Remuneration Policy can be found in the Company's Annual Report and accounts on page 60.

Shareholders will be asked to approve the policy again at the Company's 2021 Annual General Meeting. If the Company believes it is necessary to introduce a new remuneration policy or make changes to the existing approved policy before this date, the Remuneration Policy will be submitted to the Shareholders for approval at either an Annual General Meeting or General Meeting.

### Directors' Remuneration Report

#### Resolution 3

The Directors' Remuneration Report provides details of the remuneration paid to the Directors during the year ended 31 December 2017. It also gives details of the way in which the Company will implement its Policy.

Resolution 3, in line with current legislation, will be an advisory vote and will not affect the way in which the pay policy has been implemented or the future remuneration that is paid to any Director. The Remuneration Report can be found in the Company's Annual Report and accounts on pages 61 to 62.

### Directors

#### Resolutions 4 to 7

These resolutions are to approve the election of the Directors of the Board. As this is the Company's first Annual General Meeting ("AGM") and in accordance with the UK Corporate Governance Code, all Directors will

retire and those willing to serve again will submit themselves for election. The Directors believe that the Board offers an appropriate balance of knowledge and skills and that all the non-executive Directors are independent in character and judgement. Biographical details of each of the Directors standing for election are as follows:

#### Christopher Phillips

##### – Independent non-executive Chairman

Chris is the current non-executive Chairman of Places for People, the UK's leading registered social landlord, with over 150,000 properties, and 1,500 employees. He brings with him more than 35 years' experience of real estate and listed companies experience. Of note is his role at Colliers where, after heading its residential consultancy business, he became the first Managing Director of Colliers Capital UK Ltd (Colliers commercial real estate property fund), from 1998 to 2005. Chris is chairman of Londonnewcastle, a leading residential led, mixed-use developer in London and he was previously a member of the Octopus Healthcare Advisory Board which invests, develops, and creates partnerships to deliver innovative healthcare buildings to improve the health, wealth and wellbeing of the UK.

Ian was president and chief executive of Cleveland Bridge Worldwide Group and Dorman Long as well as chairman of the London regional council of the CBI and other public and private bodies. Ian currently holds a number of other directorships in the construction, financial and security industries and was awarded his CBE for services to business and charity in 2003.

#### Paul Oliver

##### – Independent non-executive director

Paul has over 40 years' experience in real estate development and investment management in both the UK and Europe. He has been at the forefront of the establishment of property funds since 1991 when he launched UK Prime, a shopping centre fund operated by Dusco UK. Paul established Equity Partnerships Limited, promoting and managing collective investment schemes, which merged with the Teesland Group in 2000. In 2002 he launched Teesland plc on the London Stock Exchange, building funds under management to €6.5 billion before its sale to Valad in June 2007. Paul is currently chief executive of Curlew Capital, which currently manages Curlew Student Trust 1 and 2, which together hold a portfolio of over 9,000 student accommodation beds in the UK.

## Peter Coward

### – Independent non-executive director

Peter was, until the end of June 2016, a Senior Tax Partner at PwC (specialising in property), for whom he had worked since 1977 and was a partner from 1989. He has a BA in Economics and qualified as a Chartered Accountant in 1980. Peter has worked with private and quoted businesses, from small entrepreneurial firms to large international organisations across a wide spectrum of industries advising on structuring and the tax implications of complex international transactions. He has a detailed knowledge and understanding of tax regimes worldwide and of organisational and project structuring to optimise the tax position.

## Auditors

### Resolution 8

This resolution is to approve the appointment of the Auditors, BDO LLP who are being elected for the first time. The Auditors will hold office until the conclusion of the next General Meeting at which accounts are laid.

### Resolution 9

This resolution is to authorise the Audit Committee to determine the remuneration of the Auditors. The Audit Committee will approve the audit fees.

## Directors Authority to Allot Shares

### Resolution 10

The purpose of this resolution is to provide the Directors' with authority to allot shares.

The authority given to Directors to allot further shares in the capital of the Company requires the prior authorisation of the shareholders in general meeting under section 551 Companies Act 2006.

The authority in this resolution will allow the Directors to allot new shares in the Company or to grant rights to subscribe for or convert any security into shares in the Company up to an aggregate nominal amount of £666,666 (666,666 Ordinary Shares), which is equivalent to approximately one third of the current issued ordinary share capital of the Company as at 28 February 2018. The authority will expire immediately following the Company's 2019 AGM or on 10 August 2019, whichever is the earlier.

The authority in paragraph (b) will allow the Directors to allot new shares or to grant rights to subscribe for or convert any security into shares in the Company only in connection with a pre-emptive rights issue up to an aggregate nominal value of £1,333,333 (133,333,333 Ordinary Shares), which is approximately two thirds of the Company's issued share capital as at 1 March 2018 (inclusive of the nominal value of £666,666 sought under paragraph (a) of the resolution). This is in line with corporate governance guidelines. There is no present intention to exercise this authority.

The Directors intend to renew these authorities at each AGM, in accordance with current best practice.

As at 1 March 2018 (being the latest practicable date before the publication of this notice), the Company did not hold any shares in treasury.

## Dividends

### Resolution 11

The Company intends to pay four dividends per annum to be declared as "interim" dividends. The alternative to this would be to declare three interim dividends with the final dividend being proposed as a "final" dividend. However, a final dividend would require shareholder approval which would delay the payment. To avoid this potential delay, the Company will propose a dividend policy, annually, that enables the Company to pay all of its dividends as "interim" dividends and for the last dividend not to be categorised as a "final" dividend that is subject to shareholder approval.

## Disapplication of pre-emption rights

### Resolutions 12 and 13

If the Directors wish to exercise the authority under resolution 10 to allot new shares or grant rights over shares or sell treasury shares for cash (other than pursuant to an employee share scheme) company law requires that these shares are first offered to existing shareholders in proportion to their existing holdings. There may be occasions, however, when the Directors will need the flexibility to finance business opportunities to allot new shares (or to grant rights over shares) for cash or to sell treasury shares for cash without first offering them to existing shareholders in proportion of their holdings. This cannot be done unless the shareholders have first waived their pre-emption rights.

Resolution 12 would authorise the Directors to do this and, apart from rights issues or any other pre-emptive offer concerning equity securities, the authority will be limited to the allotment of shares for cash or sale of treasury shares for cash up to an aggregate nominal value of £100,000, which is equivalent to approximately 5 per cent of the Company's issued ordinary share capital as at 1 March 2018, being the latest practicable date prior to the publication of this notice.

Resolution 12 also seeks a disapplication of the pre-emption rights on a rights issue or other pre-emptive issue so as to allow the Directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which, for example, might arise with overseas shareholders.

Your Board intends to adhere to the guidance issued by the Investment Association (as updated in July 2016), the Pre-Emption Group's Statement of Principles (as updated in March 2015) (the "**Statement of Principles**") and the template resolutions published by the Pre-Emption Group in May 2016.

The Directors therefore seek an additional authority under resolution 13 to issue shares for cash on a non-pre-emptive basis up to a maximum number of 10,000,000 (which includes the sale on a non-pre-emptive basis of any shares held in treasury), which is equivalent to approximately 5 per cent of the Company's issued ordinary share capital as at 1 March 2018, if used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles.

The Company undertakes that Ordinary Shares will only be issued pursuant to these authorities at a premium to the prevailing net asset value at the time of issue in order to take account of the costs of such issue and will therefore be non-dilutive to the prevailing net asset value for existing shareholders.

If given, the authorities contained in resolutions 12 and 13 will expire at the conclusion of the Company's 2019 AGM or, if earlier, 10 August 2019 (the date which is 15 months after the passing of the resolution).

As at 1 March 2018, being the latest practicable date before the publication of this notice, the Company held no equity securities in treasury.

#### Authority to purchase own shares

##### Resolution 14

In certain circumstances, it may be advantageous for the Company to purchase its own shares and this resolution seeks the authority from shareholders to do so. The Directors will exercise this authority only when, in the light of market conditions prevailing at the time, they believe that it is in the best interests of shareholders as a whole and as a means of correcting any imbalance between supply and demand for the shares. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account when exercising this authority. Under the Companies Act 2006 (the "Act"), the Company is allowed to hold its own shares in treasury following a buy back, instead of having to cancel them. This gives the Company the ability to re-issue treasury shares quickly and cost-effectively (including pursuant to the authority under resolution 10 above) and provides the Company with additional flexibility in the management of its capital base. Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the treasury shares. If the Directors exercise the authority conferred by resolution 14, the Company will have the option of either holding in treasury or of cancelling any of its own shares purchased pursuant to this authority and will decide at the time of purchase which option to pursue.

The resolution specifies the maximum number of Ordinary Shares that may be acquired (approximately 14.99 per cent of the Company's issued ordinary share capital as at 1 March 2018) and the maximum and minimum prices at which they may be bought.

There are no warrants or options to subscribe for Ordinary Shares outstanding at 1 March 2018.

If given, this authority will expire at the conclusion of the Company's 2019 AGM or, if earlier, 10 August 2019 (the date which is 15 months after the date of passing of the resolution).

The Directors intend to seek renewal of this authority at subsequent AGMs in accordance with current best practice.

#### Notice period for general meetings other than annual general meetings

##### Resolution 15

This resolution is to allow the Company to hold general meetings (other than an AGM) on 14 clear days' notice. The notice period required by the Act for general meetings of the Company is 21 clear days unless:

- (i) shareholders approve a shorter notice period, which cannot however be less than 14 clear days; and
- (ii) the Company offers the facility for all shareholders to vote by electronic means. AGMs must always be held on at least 21 clear days' notice.

The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

#### Further information about the AGM

##### Right to attend AGM

Only those members registered on the Company's Register of Members at close of business on Tuesday 8 May 2018 (or in the event of an adjournment, at close of business on the date which is two working days prior to the adjourned meeting) or their duly appointed proxy shall be entitled to attend and vote at the AGM. Changes to the Register of Members after the deadline shall be disregarded in determining the rights of persons to attend and vote at the AGM.

##### Appointment of a proxy

Members are entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote at the AGM. A member may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company but they must be registered in advance and attend the AGM to represent you. A Form of Proxy which may be used to make such appointment and give proxy instructions accompanies this notice. To be valid, your Form of Proxy must be received no later than 4.30pm on 8 May 2018 (or, if the meeting is adjourned, 48 hours (excluding non-working days) before the time fixed for the adjourned meeting). You may return your Form of Proxy using the pre-paid envelope provided or delivered by post or by hand (during normal business hours) to: Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY. Completion and return of the Form of Proxy will not preclude members from attending and voting at the meeting should they wish to do so. Amended instructions must also be received by Computershare by the deadline for receipt of Forms of Proxy.

##### Nominated Persons

Any person to whom this notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the member by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to

give instructions to the member as to the exercise of voting rights at the AGM.

The paragraphs above about the rights of shareholders in relation to the appointment of proxies do not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by members of the Company.

#### **CREST members**

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available via [www.euroclear.com/CREST](http://www.euroclear.com/CREST)). The message, regardless of whether it constitutes the appointment of a proxy, or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by the latest time(s) for receipt of proxy appointments specified above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings ([www.euroclear.com/CREST](http://www.euroclear.com/CREST)).

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

#### **Corporate Representatives**

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same Ordinary Shares.

#### **Questions at the AGM**

Any member attending the meeting has the right to ask questions. The Company must answer any question relating to the business being dealt with at the AGM, except in certain circumstances, including if:

- (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
- (ii) the answer has already been given on a website in the form of an answer to a question; or
- (iii) it is undesirable in the interest of the Company or the good order of the meeting that the question be answered.

#### **Asking questions in advance of the AGM**

Except as provided above, members who have general queries about the meeting should contact the Company's Registrar, Computershare, at: [www.investorcentre.co.uk/contactus](http://www.investorcentre.co.uk/contactus) or the Company Secretary at the registered office address.

You may not use any electronic address provided either in this notice or any related documents (including the chairman's letter and Form of Proxy), to communicate with the Company for any purposes other than those expressly stated.

#### **Shareholders' right to give notice of a resolution**

Shareholders meeting the threshold under sections 338 and 338A of the Act can instruct the Company:

- (i) to give shareholders (entitled to receive notice of the AGM) notice of a resolution which may properly be proposed and is intended to be proposed at the meeting; and/or
- (ii) to include in the business to be dealt with at the AGM any matter (other than a proposed resolution) which may be properly included in the business.
